

WARNING - ONLINE SCAMS

Members should be aware that on-line scams are becoming more prevalent and that you need to be ever vigilant. An attempt to hack into parts of the TU3A web site containing confidential information was recently made. Members are advised NEVER to open links to unknown sources and NEVER to reveal confidential information to anyone, particularly pin numbers and passwords. To obtain further information on topics such as “phishing”, members are advised to visit the web site of the National Cyber Security Centre, <https://www.ncsc.gov.uk>
